

14 November 1963

ILLEGIB

MEMORANDUM FOR: Assistant for Administration
ATTENTION: Chief, Logistics Branch
THROUGH: Chief, Development Branch, P&DS
SUBJECT: Request for Work Authorization
REFERENCE: Contract No. [REDACTED]

STATOTHR

STATOTHR

1. It is requested that a work order be issued on the referenced contract for the fabrication of an Alignment Jig Assembly, per drawings no. 3-149, 3-150, 3-151, and 3-152, attached. This assembly is required for precision alignment of the [REDACTED] Spectrophotometer presently in use by this Branch. The fabrication cost has been quoted, upon request, at [REDACTED]

STATOTHR

2. It is requested that a work order be issued on the referenced contract for the fabrication of one (1) camera mount, per drawings no. 2-154 and 2-162, attached. This mount adapts the Nikon electrically-operated camera for use on the [REDACTED] precision bench. The fabrication cost has been quoted, upon request, at [REDACTED]

STATOTHR

3. It is not considered necessary, as far as the records or necessities of this Office are concerned to issue separate work orders for these parts.
